SKYROCKET — Cactus. A clear vermilion straight cactus. Diameter 10 to 12 inches, depth 5 to 6 inches. A striking scarlet bloom with a gold sheen, of remarkable substance; holds its colors in the sun. The stems are 12 to 16 inches, straight, slender and strong. The bush is 5 to 6 ft. in height, a rugged grower, a good root maker and an early and continuous bloomer. The foliage is dark, tough and insect resistant. Winner at 4 American Home Achievement Medals in New York, Chicago, Milwaukee and Irvington, N. J. On the Eastern, Mid-Western and Pacific Coast Honor Rolls. **Roots \$1.00**

MRS. E. J. CACTUS (Rocky River) The first year record of this bright pink cactus has justified the pride. It is a strong grower producing an abundance of flowers on rigid stems. Petals have exceptionally good substance giving the flower unusual keeping qualities, a characteristic that has endeared it to florists. Perfection of form has made it a fine exhibition variety, having won "best in show" at several shows. **Roots 75c**

MRS. HESTER A. PAPE Inf. (Pape-Rocky River) Another 1946 introduction that scored heavily in many shows throughout the country. It is classed as a purple but the color is one which is usually referred to as red, actually a reddish purple. It is a dahlia anyone can grow and grow well, and it is a dahlia which will stand "forcing." A real delight to the exhibitor. Size 10 x 5. **Roots \$1.50**

JANE LAUSCHE S.C. (Rocky River) A new color combination in a dahlia. Rosy mauve with about one-third of each petal tipped white. Just about all the superlatives in the dictionary have been used to describe it. Winner of several "largest bloom" and "most perfect bloom" awards in its first season. The plants are open, fast growers and produce blooms early, and in profusion until frost. A standout in the semi-cactus bi-color class. Size 10 x 6. **Roots \$2.00**

SUNBURST: Inf. Dec. (1946)

A very beautiful color of greenish yellow lightly overcast with mallow-pink or apricot buff, in all a very pleasing shade. The blooms are carried erect on strong stiff stems 10 to 12 inches, size runs 11 by 8 inches deep. Height of plant about 4½ ft., foliage insect proof. Winner of the Achievement Medal. **Roots \$1.50**

D-DAY. FD. (1945)

True pink. Size 7 by 3½ inches. Stem cane-like, holds flowers on side. Excellent substance. Flowers shipped air express to New York show were in fine shape after 72 hours enroute. A fine florist's flower and could even "take" JERSEY BEAUTY in its class, (Dixie Dahlia Gardens.) **Roots \$1.00**

SARETT'S PINK FLAMINGO. Inc. Cactus. (1944)

The color is Tyrian pink, ends of pedals roseline pink, with one-half inch at the base of petals empire yellow. The blooms are beautifully formed, with excellent substance and perfect centers. Blooms 8 to 11 inches in diameter by 5 to 6 inches depth. Stems ideal. Plant growth vigorous, foliage dark green and tough. A free bloomer producing many fine exhibition flowers. Winner of three American Home Achievement Medals at Chicago, Milwaukee and Scranton. On three Honor Rolls. **Roots \$1.50**

Greetings: To Our Dahlia Friends and Customers.

We take great pleasure in handing you our 1951 catalog. The varieties listed have proven their ability to grow for us, by producing strong growth and plenty of bloom. Since 1920 we have served the dahlia loving public. Our motto: "Your Success Means Our Future." We don't try to see how many varieties we can grow, but try to grow the best.

GUARANTEE: While we exercise every care in filling of orders for roots and send out what we honestly think will grow, we do not guarantee any root that is shipped before March 15th. After that date all roots are guaranteed and will be replaced free of charge if they prove blind. Many of the failure with plants and roots are due to causes entirely beyond our control. Such as weather and soil conditions, bad planting, etc., and while we take the greatest care to send out only stock which will produce satisfactory results, we cannot be held responsible for failure. A deposit required on all orders before shipping.

REFERENCES: we refer you to the Peoples Savings Bank or any merchant in our city, in regards to our honest and integrity.

ROOTS: The size of the roots varies according to the variety. A large root does not always result in a large plant or flower. The main thing is a strong, healthy root, showing a growing eye or sprout. Shipped prepaid when order amounts to \$3.00 or over. This applies to retail orders only. Roots shipping season closes

May 20th. We start shipping about April 10th and all roots will be shipped at that time unless instructed to ship sooner.

GREEN PLANTS: We make a specialty of green plants. They are properly grown, packed well, and safe delivery guaranteed anywhere east of the Rockies. No plants west of the Rockies. Plants are grown in specially built greenhouse from base Cuttings only, and are ready about May 1st, but recommended from May 15th to June 15th as best time to plant them out. We make no charge for packing and prepay transportation charges when order amounts to \$3.00 or over, add 25c for postage for orders under \$3.00. This applies to retail orders only. Season for shipping plants closes June 20th.

COMMERCIAL GROWERS: We cater to a high class retail trade, but we will allow the usual discount to the trade on our own introductions and other varieties where our stock will permit, except where prices are marked NET. Shipping charges to be paid by the purchaser on all wholesale orders.

NOTICE: Ohio customers only—for every dollar (\$1.00) of your purchase please add three (3) cents Sales Tax. This is a consumer's tax and must be paid by the consumer.
